

Density plot for land_area (in 1000 HA)

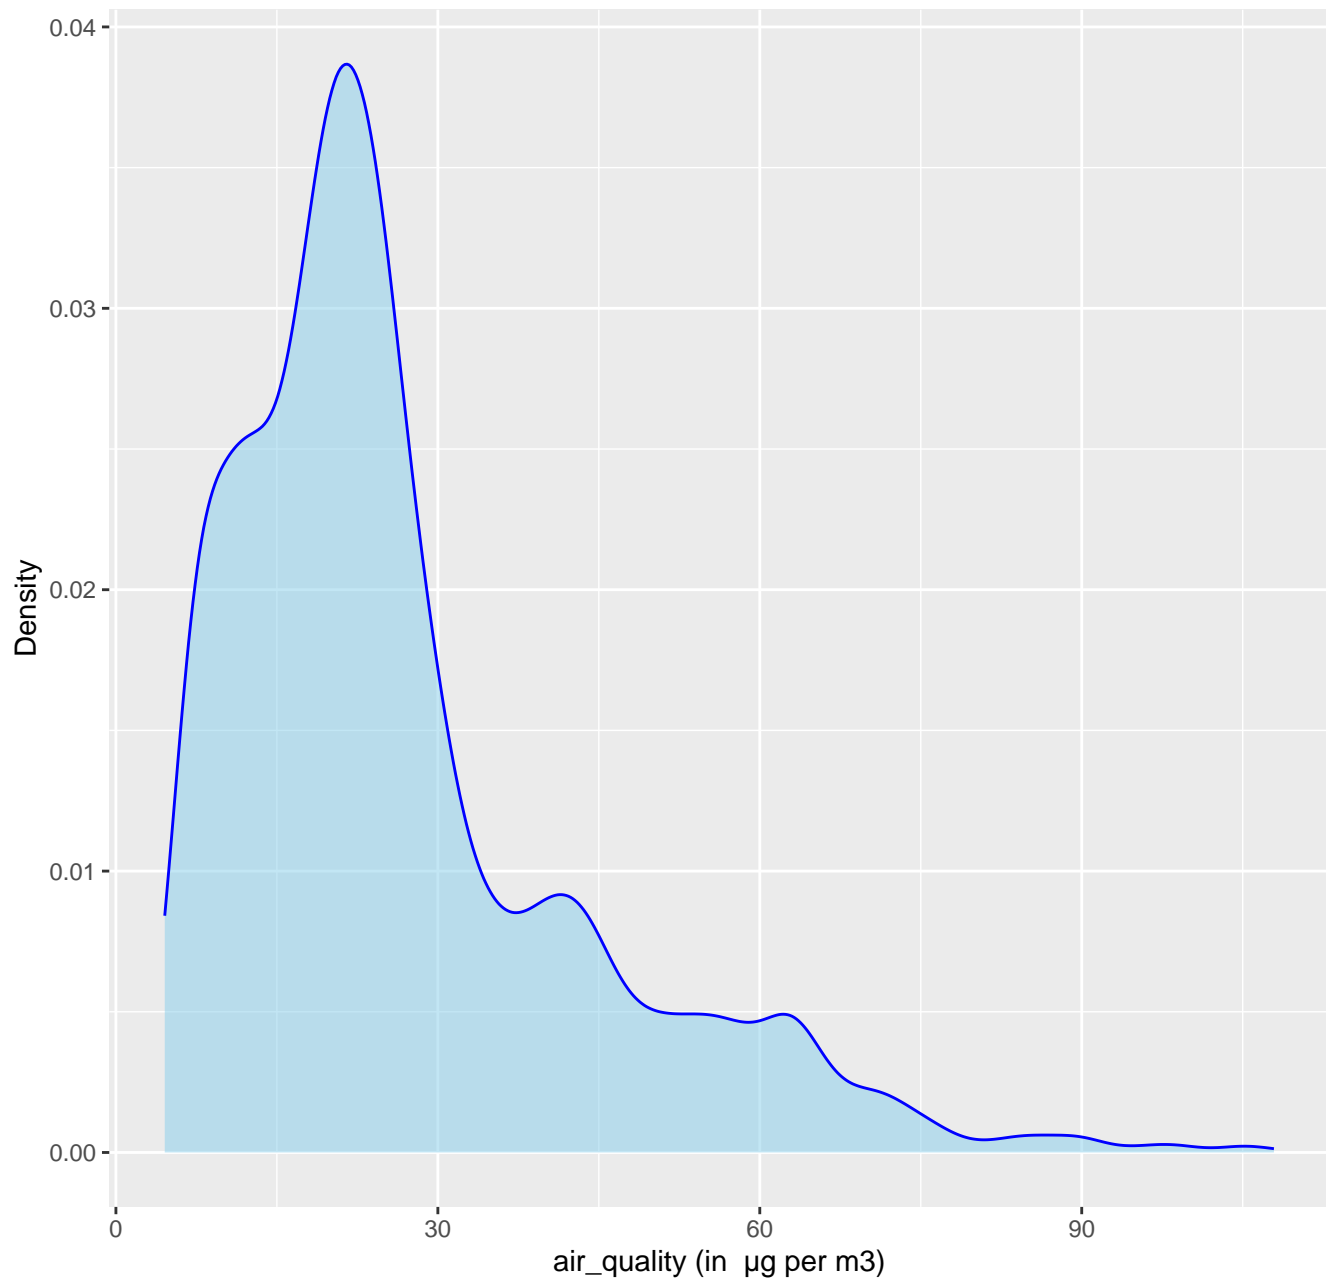

Density plot for forest_area (in 1000 HA)

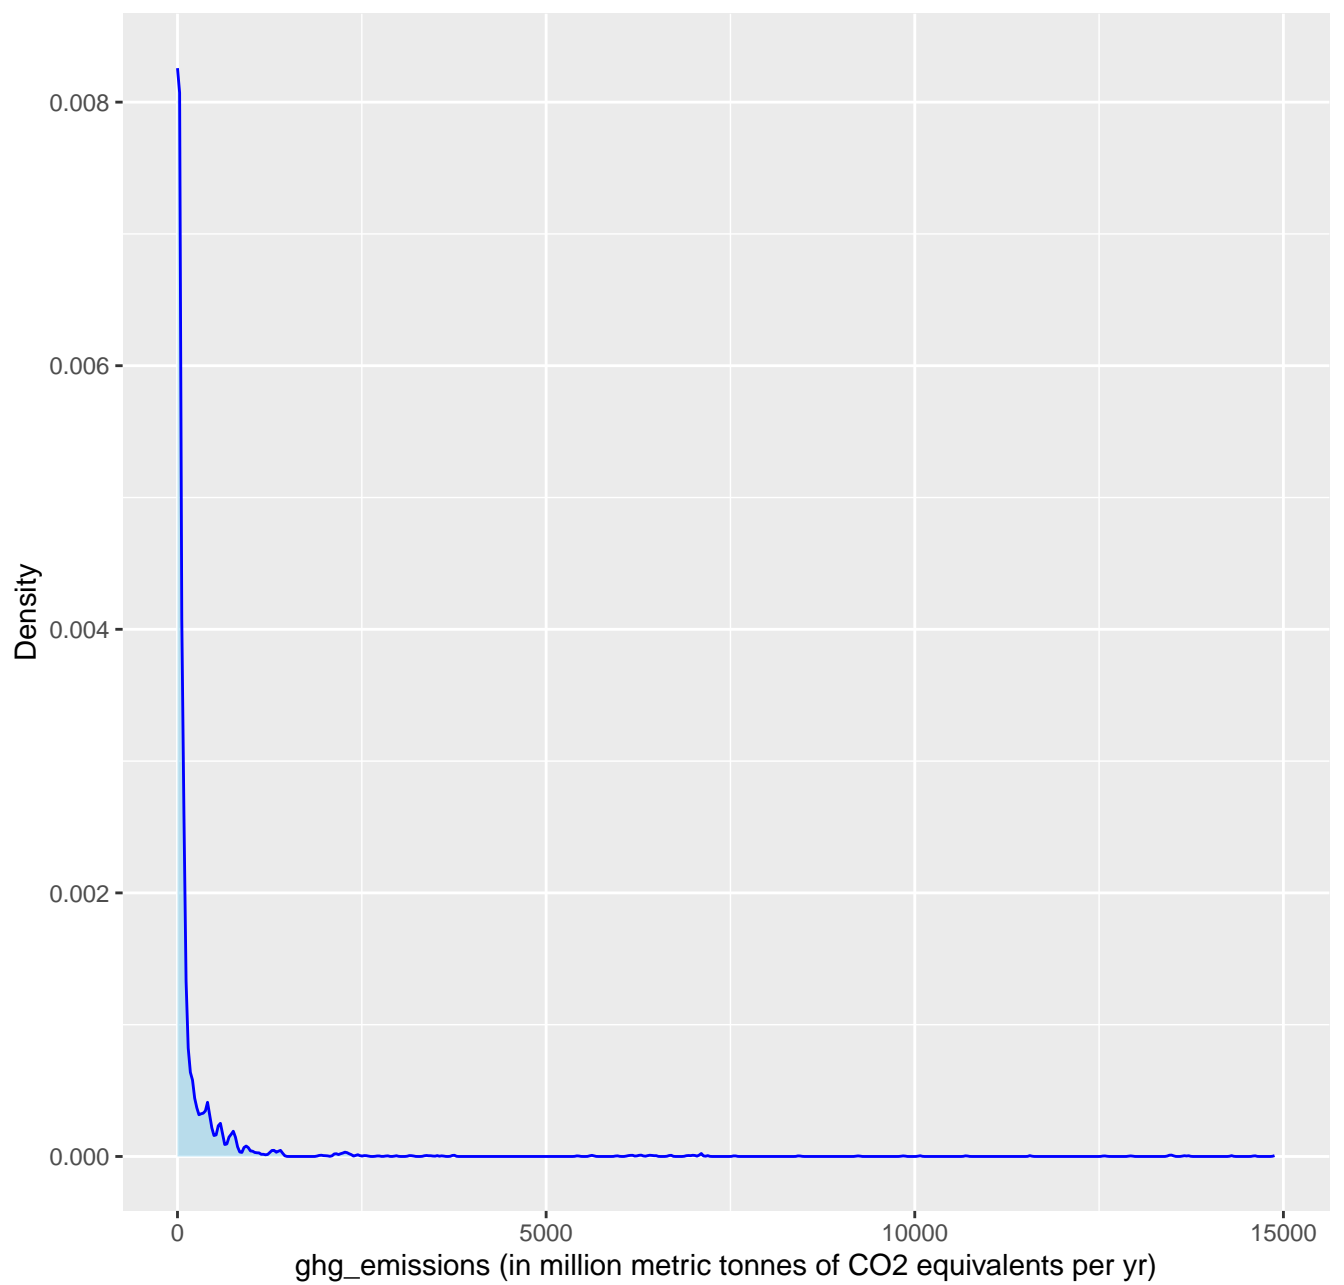

Density plot for carbon_stocks (in millions tonnes)

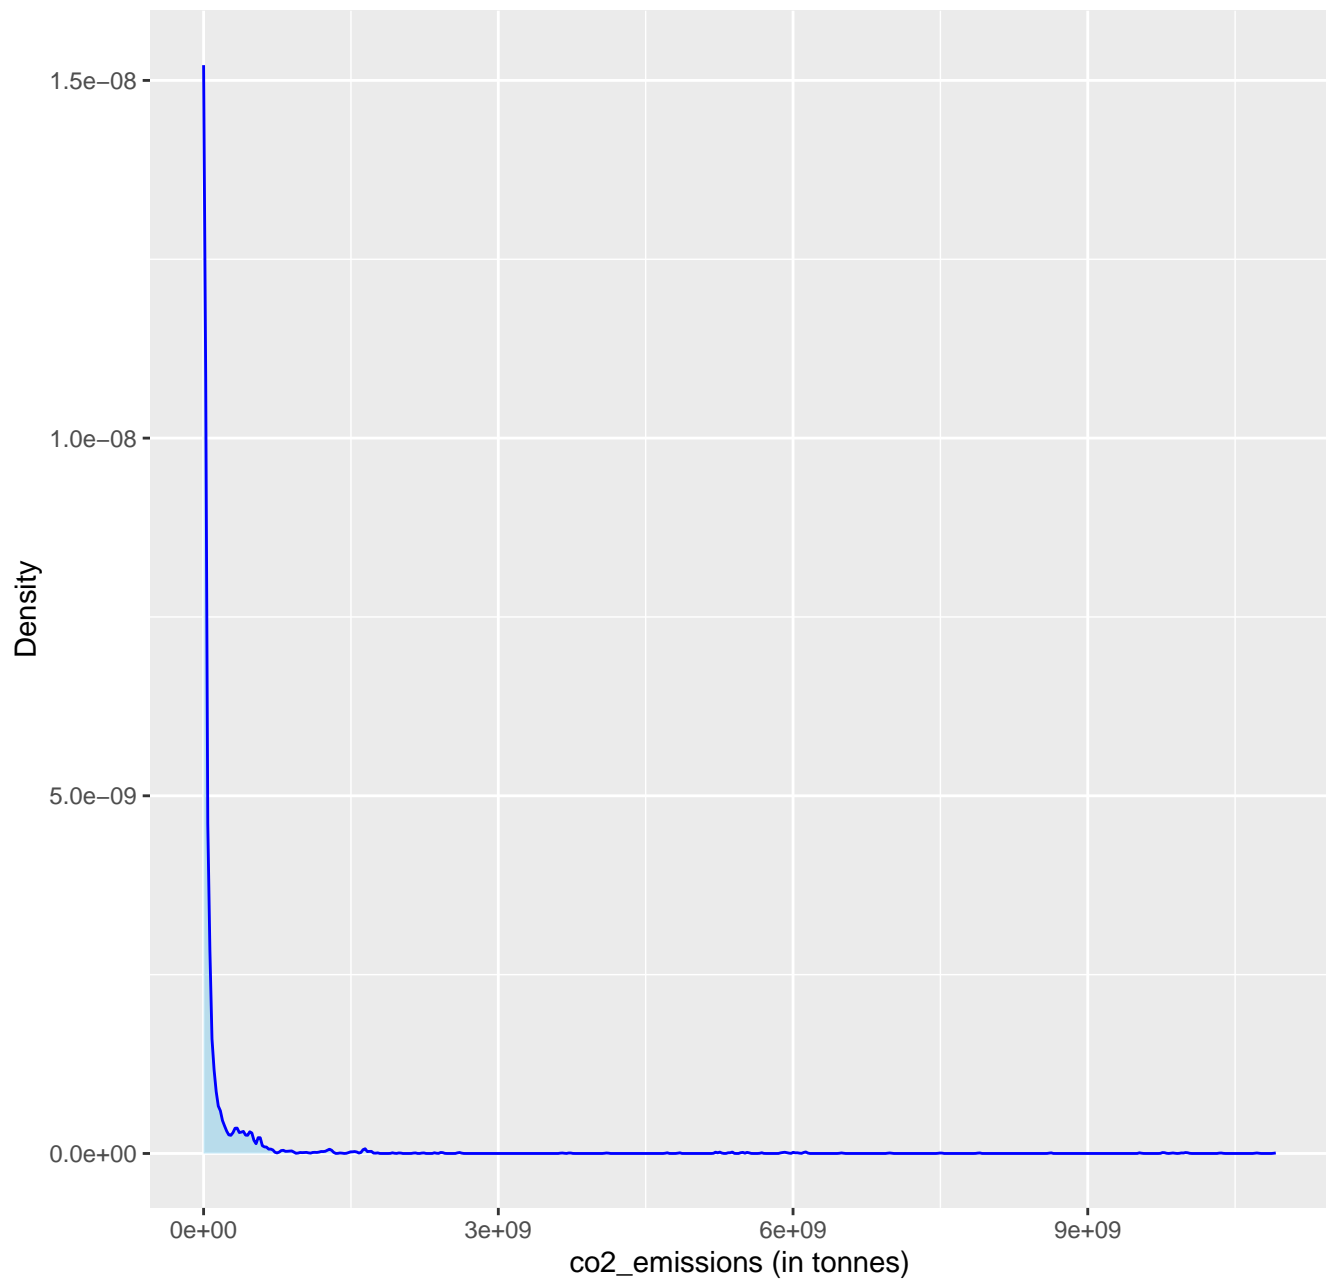

Density plot for air_quality (in $\mu\text{g per m}^3$)

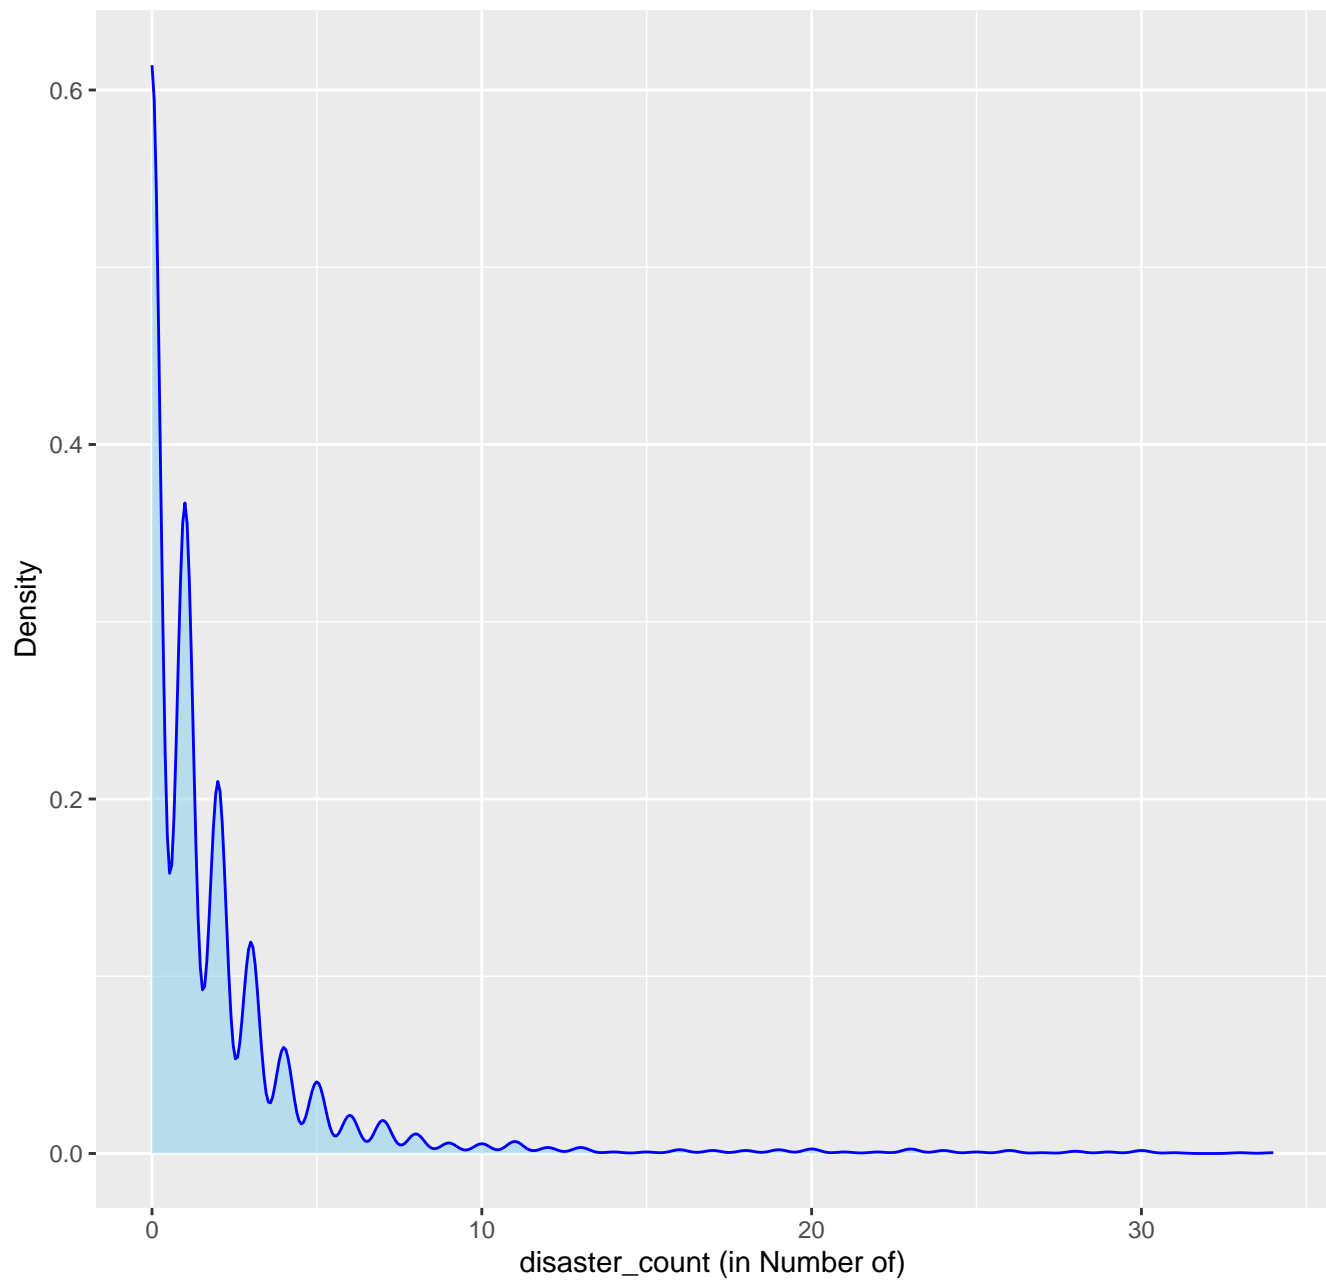

Density plot for ghg_emissions (in million metric tonnes of CO2 equivalents per yr)

Density plot for co2_emissions (in tonnes)

Density plot for disaster_count (in Number of)

Density plot for mean_global_surface_temp (in celsius)
